The Transition Improvement Grant (TIG) (CFDA #84.027) acknowledges the support of the Wisconsin Department of Public Instruction in the development of this brochure and for the continued support of this federally-funded grant program. There are no copyright restrictions on this document; however, please credit the Wisconsin DPI and support of federal funds when copying all or part of this material." [34 CFR Sec. 75.620]

Transition

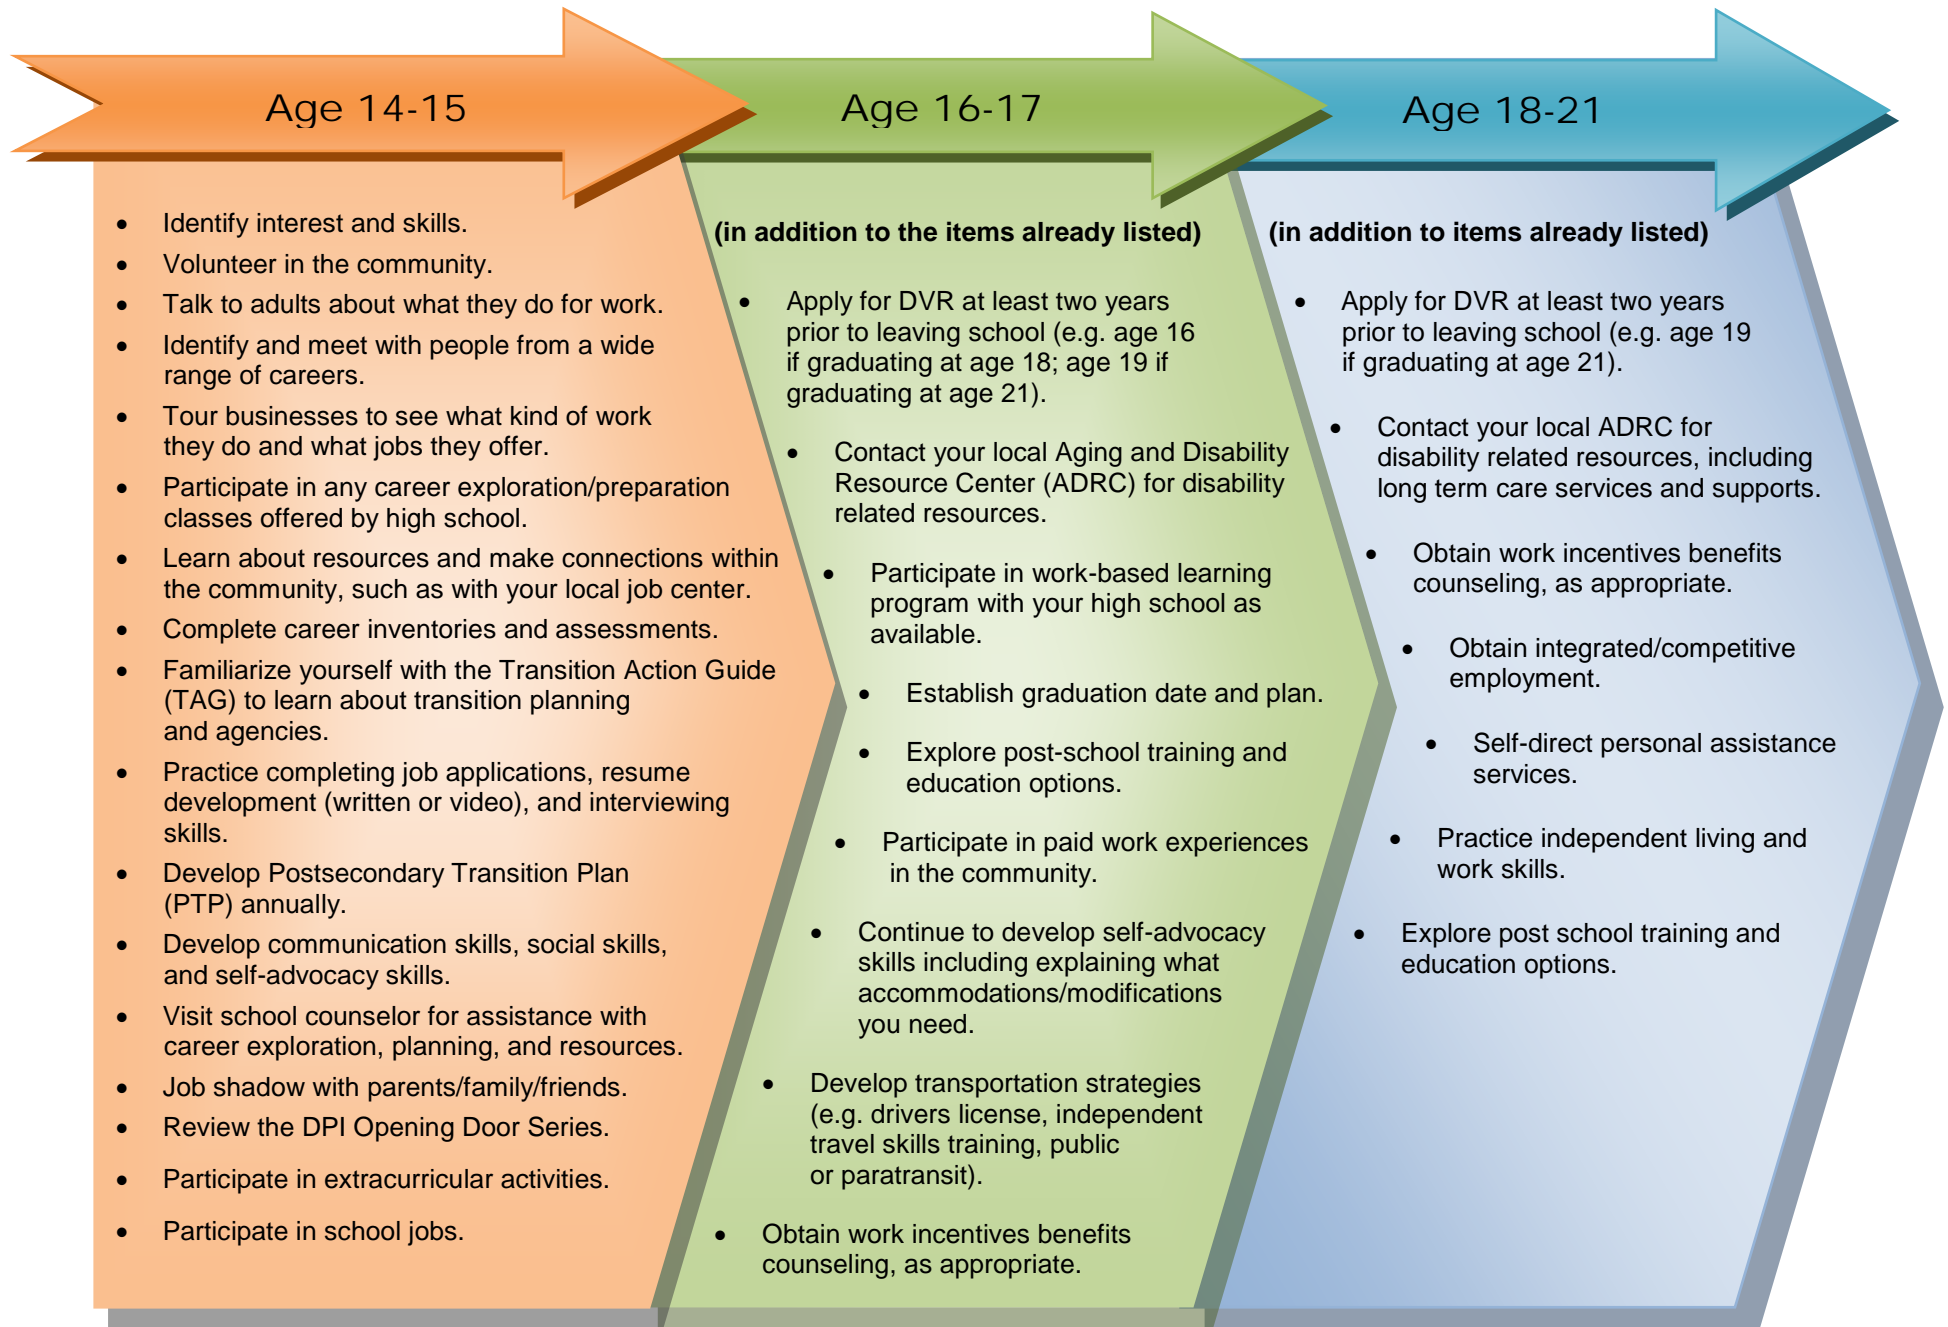

Through High School

Transition is a process.

Inside, is a detailed list of activities sorted according to the recommended age at which youth benefit most from beginning participation.

Transition Activities as Students Advance through High School

For detailed information on roles and responsibilities in the transition planning process, see the Transition Action Guide:
