This event will provide participants with an opportunity to explore the world of post-secondary education and the resources and services available at this level. Through speakers from various campus and off-campus resources, participants will gather information during the following break-out sessions:

Admissions

An opportunity to find out additional information from Admissions Staff on being admitted as a freshman or transfer student.

Autism Spectrum

Transition to college for students on the Autism Spectrum. What students, parents, and others should know.

Campus Tours

An opportunity to find out more about the UW-Whitewater Campus by taking a talking and walking tour with campus assistants.

Center for Students with Disabilities (CSD) Services

An overview of the services provided by the Center for Students with Disabilities and how to access those accommodations and services.

Differences Between High School and College/Academic Accommodations

A comparison of the differences between accommodations and services for college students with disabilities versus high school students with disabilities. Session will also include an overview of widely-used academic accommodations.

Documentation Guidelines

Answers to frequently asked questions about the documentation required for receiving disability services.

Living on Campus

What is living on campus like? Do I get to pick my roommate? How do I fit all of my stuff into my room? Answers to these questions and more.

Student Panel

Current UW-Whitewater students share their insights about being successful at the college level.

Who Should Attend:

- Current high school sophomores and juniors with disabilities
- Parents of students with disabilities
- School staff
- Service providers from agencies and organizations serving individuals with disabilities
