 AARON W. HILTS  
Associate Principal

 SCOTT W. PARSONS  
Athletic Director

## Do you have questions about life after high school for your child?

Having questions about your child's future is common among parents. As a parent of a special education student, there are many options regarding support for your child after high school. It is imperative to know what is available and to begin planning at an early age. This Special Education Transition Resource Fair will work as a resource to inform families on how to support their children after high school.

Grafton High School  
School to Life Program  
**Special Education Transition Resource Fair**  
**February 11, 2015**  
**6:00 p.m. - 8:00 p.m.**  
Grafton High School Cafeteria

- |                      |   |
|----------------------|---|
| Who should attend?   | Young adults with disabilities ages 14 to 21 and their parents/guardians/family members   |
| Who will be there?   | State and local agencies and organizations that can help support you and your family, now and in the future – such as employment service providers, financial planning resources, and state agencies that provide support |
| Why should I attend? | To gather important information and tools to help plan for your future after high school!   |

There will be a free meal included at the resource fair.  
Please RSVP to Josiah Pledl - School to Life Coordinator
