Planning Resources

[Circles of Support](#)

Getting a strong network in place, with allies, family, and “not your usual suspects.”

[Compassionate Communication](#)

Skill self-development for everyone to enable progress through good communication.

[Inclusion Press—PATH/John O’Brien](#)

A plethora of articles and publications to get on and keep on the right track.

[Motivational Interviewing](#)

A way of communicating with those who are apathetic or resist our “help.”

[Person Centered Planning Tools](#)

Visualizing and imaginative resources to reach a person’s dream.

[Social Role Valorization](#)

The “new” normalization, having real roles in one’s life aids full citizenship.

[The Stone Game](#)

Another communication tool that is amazingly effective.

[5 Whys and a What](#)

Getting to the crux of a sticky challenge.

[Beth Mount](#)

Beth Mount’s webpage. New ways to plan a meaningful life in one’s community.

[David & Faye Wetherow](#)

Community building, Microboards, the Star Raft Pattern and more.

[Darcy Elks](#)

Community, social integration, Meaningful Day

Other Resources

[The Board of People with Developmental Disabilities](#)

Another good resource for best practices and self-determination.

[Developmental Disability Network](#)

The state training resource.

Resource Websites

Non-Traditional Self-Directed

[Microboards](#)

The state Microboard website.

[Self-Directed Corporation](#)

An article on another unique way to structure supports.

Housing & Benefits

[Disability Benefit Specialist](#)

[Housing Search Wisconsin](#)

[Movin' Out](#)
