

# Progress Monitoring on the Job: Collecting and Reporting Data

• Jenny Jacobs & Shelley Lehman  
• Transition Improvement Grant

---

---

---

---

---

---

## Reminder: What is Progress Monitoring?

Progress Monitoring is the measuring of student progress throughout the school year.

---

---

---

---

---

---

## Data Collection

Julie Mlagen  
Transition Coordinator  
Menomonee Falls  
School District

*Thank You*

---

---

---

---

---

---

## Google Form Data Collection

Google Forms is a tool that allows collecting information from users via a personalized survey or quiz. The information is then collected and automatically connected to a spreadsheet. The spreadsheet is populated with the survey and quiz responses as they are entered.
