## My Postsecondary Transition Plan (PTP)

To help me figure out where I'm going, let's talk about what I'm currently doing in life or interested in.

**Student Name:** Anna  
**Current Grade:** 11th grade  
**Current Age:** 17 years old  
**Date:** February 11, 2026

This report outlines my preferences, interests, needs, and strengths that I would like to discuss at my IEP Team meeting regarding my Postsecondary Transition Plan (PTP).

Each year, I will be invited to my IEP Team meeting to discuss my plan and provide input and develop a statement of required services and supports to help me prepare for and transition to adult life. This plan will be updated each year until I graduate and should include the courses I need to graduate from high school and prepare me for my future goals. In Wisconsin, by the time I am 17 years or older, I will need to be told how my rights will change once I turn 18 and am officially considered an adult.
